The Leviathan The End Of Your Life

In Judaism "Leviathan" means to divide or cleave. In the Kabbalah, Leviathan is shown as a serpent encircling the human brain showing its dividing the mind from the left and right parts of the brain. The Gnostic's such as the Orphites whom were stated by Christian Church writers to be anti-Christian and to curse the name of Jesus in their company. Stated that Leviathan:

"Short excerpts of text from Origen Contra Celsus Book 6, Chapter 24 to 38:] Celsus says there is a diagram consisting of ten [or seven] separate circles, circumscribed by one circle which is said to be the world-soul and is called Leviathan. The diagram is divided by a thick black line, which is called Gehenna, or in Greek Tartarus. The "seal" is that of the one who imposes it...

There are seven angels, who delivered the seal; they stand on both sides of the soul set it free from the body; and there are other angels of light who are called Archontics. The Archon of the so-called Archontics is the accursed god of the Jews, who makes rain and thunder.

He is the Demiurge of this world, the God of Moses described in his creation narrative."

The Torah doctrine states that Yahweh divided humans from the right side of the brain where the psychic abilities are and divided the connection between the female and male chakra's and the crown and root chakra by driving down the serpent. The symbol of this is the seal of Leviathan which means to divide or cleave in two. The seal is the symbol of psychic impression a curse on the soul. The thick black line called Gehenna is the place of the grave and suffering in Judaism it has seven levels which relate to the seven chakra's all bound by the Leviathan.

The ancients stated the soul bound in a state of entropy is suffering or Gehenna in which the spiritual light could not flow thought it bringing the spiritual rebirth and the risen serpent. Which leaves a person to suffer the negative effects of Saturn which is old age, suffering and death. The Gnostic diagrams show the Jews have bound the soul with Leviathan. Their Torah magic. In Gehenna people are tortured by Jewish angels in the most hideous ways. The angels are the bindings the curses of the Torah the Jews on the human soul. The Leviathan is shown in Kabbalah binding the world tree the map of the soul and all the worlds the chakra's on it with Hebrew curses.

The other meaning of calling Leviathan the world spirit is the planet has an astral grid around it the ethereal aspect of its power. The Jewish Rabbi's in their own writings call Leviathan a spell they have generated in the astral grid around the planet they are working to bring down as they call it into the world and materialize the Torah, they have a special set of rituals they call the Feast of Leviathan which is a Kabbalistic event to help manifest this as well they relate the Vav letter to this as it connects the astral to the material and brings down the energies to manifest in the material world in Kabala:

"The soul of Israel is central on the map of creation and the Jews are in fact, behind a divine plan to take over not only this world, but the entire universe ...It is a conspiracy of the messianic

Light of Kabbalah. This phenomenon is a universal Overmind that has been animating and networking all communication, all civilization and all history. "[1]

The Jews are celebrating in their own writings to each other they have bound the entire planet and divided it [Leviathan] from other communications with other worlds and beings and any higher communication. And that they are using the matrix of energy they have created to influence the entire planet into their world to come with black magic.

The Jews do their religious rituals on the day of Saturn which relates to binding and restraining to hold one to the law [Torah] and such. This is something more to this all of the Christian Churches and Synagogues are designed to be connected into the astral vibration of the planet Saturn by their designs and symbols even the symbol of Jewish Communism is the sickle of Saturn. Ancient temples were built on key area's of the ley line grid the astral template of the world and their diagram was built to connect to and resonate the astral vibrations of the planet Mercury and the Sun, Jupiter and Venus the beneficial planets. This would infuse the astral grid of the world with positive astral energies.

The enemy has built their Churches, Mosques and Synagogues over the ancient Pagan Temples to capture the key area's of the ley line grid for themselves. This is also their reason for the obsession with the region of Palestine. There was excellent work done by Norman Bergrun who worked for NASA and his book "The Ring Makers Of Saturn" showed the NASA images of literal artificial technology, ships creating and maintaining the rings around Saturn one can watch actual footage from NASA satellites of this in action. The ring shape if one studies basic psychic's is used because its better for sending out stronger waves further. The enemy is also Extra Terrestrials. The Rabbi's mention the "Angels" of their "god" that appear in rituals to them are reptilians. The Extra Terrestrial level of the enemy has created the rings around Saturn to increase the vibrational astral power of this planet to then broadcast this stronger signal to earth astrally and then connect into the astral grid of the earth connecting with the key area's of the ley line grid in which their Churches, Mosques and Synagogues are built on. The Jews do their rituals on the day the energies of Saturn are the strongest, Saturday to then connect into this power at the strongest time and direct the Leviathan to bind the earth and curse the Gentiles and bring about the world to come. The Jews believe the Leviathan is their Messiah who will consume and destroy the Gentiles and bring in the new world in which the Jews will be the Kings and owners of the planet. If one understands the psychological properties of Saturn this society is built on it. As the Jews brag their Leviathan grid has influenced and built a world in their own image, Gehenna, suffering.

The Gnostic's stated the angels of Yahweh were Archons who were responsible for binding the seven chakra's and the soul into the lower realm of entropy of Saturn. These angles are Hebrew formula's that create the needed thought forms, curses to bind the Gentiles. It was stated the Gnostic's used inverse formula's to open the seven lords. This is relating to reverse formula's, reversing the Hebrew curses.

The Jews state the Leviathan is the 22 Hebrew Letters. Think of this when it comes to the Final RTR.

The Ophities worshipped the Agathodemon which is Dionysus. Agathodemon means the "Good God" or "Good Serpent" and is the title of Dionysus. The Greeks called the Pagan Gods

Daemon's but also spelled this Demon. The AE is a higher A sound De or Da mon. Dionysus was called Ioannes which is the Babylonian Oannes the name of Enki whom the Chaldeans called Satan. Sat the King or highest and An, God. The Gnostic's such as the Ophities where Pagans whom cursed Jesus and hated the "god" of the Jews. And were working to undo the curses of the enemy.

Ibbar wrote:I've observed that there are **3** main ways of describing the Aton/Demiurge/G-d/YHVH entity:

1. The jewish people as a whole.
2. The biggest astral thoughtform around this cosmic neighborhood, created by jews and supported/maintained by christian/muslim dupes.
3. An extraterrestrial "board of directors" consisting of archons/reptilians/greys. Crowley's illustration supports this claim.

According to this model, the **Holy Trinity** would consist of

Father: The reptilians/greys

Son: The jews

Holy Spirit: The thoughtform

According to the bible, **denying the Holy Spirit** is the only sin that shall guarantee eternal damnation. This makes sense in a way that supporting the thoughtform by prayer is the only way that the gentiles are directly enhancing the (((godly power))).

The jews describe the same of themselves.

Actually their "Holy spirit" is just this very thoughtform matrix they have. There is a passage in

the bible that says when someone is ingested enough in the study of this his very 'heart' is literally replaced.
